The screenshot shows a web interface for event management. On the left is a dark sidebar with navigation options: Tools, Settings, Security, Events Made Easy (highlighted), Events, Locations, Categories, and Holidays. The main content area is titled 'EVENTS' and includes several filters: 'Future events', 'Event Status', 'All categories', 'Event name', 'Filter on startdate' (highlighted in yellow), and 'Filter events'. Below the filters is a 'Bulk Actions' dropdown and an 'Apply' button. A hint reads 'Hint: rightclick on the column head'. The main table has columns: Name, Status, Copy, RSVP, Location, Date and time, and Recurrence. One event is listed: 'Hjemmeside Strategi møde' with status 'Public', location 'View event', and date '4. December 2017 20:00 - 21:00'. The table also shows RSVP info: 'Free: 9, Pending: 1, Max: 10' and links for '(Printable view)' and '(CSV export)'. At the bottom, there are navigation controls for page and row count, showing 'Go to page: 1' and 'Row count: 10'.
